<ol style="list-style-type: none"> 1. Cut out egg carton and trim excess cardboard. 2. Glue together 2 of the egg cups you cut out, leaving a slight gap for the mouth 3. Paint any colour you want your monster to be (add glitter if you want) and wait to dry. 4. Once dry, you can add decorations to make your monster unique 5. Hot glue the eyes on. 	

*** if you don't have a hot glue gun that's fine, a stapler is a great alternative OR don't separate them as you cut them from the tray so they can fold over to create a head and jaw.
